## ACCEPTABLE INTERNET USE POLICY SCHOOL YEAR 2018-2019

### The Young Persons' Bill of Responsibilities for Safety over the Internet

- I may open only assigned internet sites.
- I must ask permission to open any new site(s).
- If a site is opened that has inappropriate content I shall inform the teacher immediately. The site will be closed and the site will be noted for reference.
- I agree to the above rules and understand that these rules are for my well-being and that of the school community.
- I understand that I shall lose my Internet privileges for the remainder of the year if I do not abide by these rules.
- These rules cover the use of any computer anywhere in the school, including but not limited to, the classrooms and computer lab.
- I shall not be allowed to use any school computer if this agreement is not on file.

**I have read and understand the above rules.**

**I promise to follow the above rules.**
